# **Suggested Mailing Practices**

#### **Preparing Messenger Envelopes**

Use U.S. Government Messenger Envelopes (SF 65-B) to transmit mail within USDA agencies. Mail to NFC, New Orleans, LA can also be sent in messenger envelopes (See Departmental Notice 3050-1, dated June 3, 1981).

When using U.S. Government Messenger Envelopes:

- (1) Completely strike out the previous address. In the next space, clearly write the complete address (Name/Title, Agency, Room number and building) of the intended addressee.
- (2) Limit the address to one space.
- (3) Do not overstuff the messenger envelope, and
- (4) Make sure the messenger envelope is securely tied.

Standard Form No. 65-B December 1971 General Services Administration FPMR (41 CFR) 101-11.6

### **U. S. Government Messenger Envelope**

GANOY NORTH ARG, ROOM 327 BLOG. 005 BELTSVILLE	STOP	To a person located in a USDA agency outside the DC Complex	STOP	

\*Indicate information

#### **Change of Address**

Departmental agency users are responsible for promptly notifying their correspondents when there are changes in address, agency organizations or officials. This

will assist in preventing unnecessary delays in the delivery of mail. Incoming mail bearing an incomplete or inaccurate address will be delayed and may also be returned to the sender. Change of address forms may be obtained from your mailroom.

# Do not use Government envelopes or services for personal mail

For further information and assistance in mailing, please contact your mailroom.

Input for the preparation of this section was provided by the Professional Problem Solvers Ltd. Quality Circle, located in the Mall and Reproduction Management Division, Office of Operations.

This Quality Circle is comprised of eight employees from the Mail Services Section which meet regularly

to identify and recommend solutions to problems relating to the provision of centralized mail services to USDA agencies.

This was the third such project that this group has worked on since formation of the Quality Circle in July 1981.

# **Suggested Mailing Practices**

The Department of Agriculture is the fifth largest mail user within the Federal Government. Last year's postage costs USDA \$58 million. In addition, approximately six million pieces of mail were received at headquarters from the private sector.

Because of the very magnitude of this mail volume, it is important that USDA employees follow proven mailing practices to ensure all mail sent to and from the Department reach its intended destination without unnecessary delay or cost. Among these important practices are:

- (1) Including a complete return address on all outgoing correspondence.
- (2) Notifying your correspondents of changes in USDA addresses and officials.

#### **Preparing Outside Correspondence**

Use the right size envelopes and endorse all large, bulky pieces with the class of mail service desired. Generally, six pieces of paper will fit into a letter-size envelope (4-1/4" x 9-1/2"). Use standard envelopes with Government Postage and Fees Paid indicia or all mail sent through the U.S. Postal Service. Mail sent to other Government agencies through the J.S. Postal Service without an official nail indicium will not be acceptable for nailing and will be returned to your nailroom or office. Mail sent through he U.S. Postal Service must be ad-

dressed to the agency street address instead of the agency (stop) number. (See Departmental Notice 3050-13 dated 6/23/83) Mail addressed to the White House, Heads of Departments and Agencies, Congressmen and the Court should also be enclosed in Postage and Fees Paid envelopes.

To ensure correct delivery, please make sure that your outgoing mail contains the following:

 The complete return address of the originator (Name, Agency and Building address). This information will eliminate time consuming processing of returned USDA-originated mail.

- (2) After the ZIP Code, include your agency's unique 4-digit code.
- (3) The full address of the addressee, including the ZIP Code. (No more than 5 lines—brief but concise. assures expedited delivery.)

Name of Individual or Organization Organizational Element (if necessary) Street Address or PO Box Number City, State and ZIP Code

Use of Government Provided Telephone Services for Other than Offical Business is Prohibited by Law and Could Result in an Employee's Suspension or Dismissal (31 U.S.C. 680).

#### **Special Centrex Features**

#### Call Transfer

This feature allows a station user to transfer an incoming or outgoing call to another station.

- Depress switchhook once to get recall dial tone.
- Dlal desired number. (See Note)
- When party answers, announce call and hang up.

#### Consultation

This feature enables a station user, while on an existing call, to place the call on "hold" and establish a connection with another station. After consultation the user returns to original party.

- Depress switchhook once to get recall dial tone.
- Dial desired number. (See Note)
- When party answers, consult privately.
- When third party hangs up, depress switchhook twice to restore original call.

#### Three-way Conference

This feature enables a user on an existing call to add a third party to the conversation.

- Depress switchhook once to get recall dial tone.
- Dial desired third party. (See Note)
- When the third party answers, depress the switchhook once to establish the connection for the three-way call.

#### Call Forwarding

This feature enables the automatic routing of any incoming call to another preselected station whenever the called station is busy or is not answered within three rings.

NOTE: If number called is incorrect, busy or doesn't answer, depress switchhook twice—once to return to original call and again to eliminate busy or ringing tone.

#### **Local Calls**

Calls to USDA Telephones

Consult the USDA Telephone Directory for the number. Listen for the dial tone. Then dial the 7 digit number.

 Calls to Other Government Telephones

Listen for the dial tone, then dial the 7 digit number. If the call does not complete, depress the switchhook once to disconnect the call and obtain dial tone, then dial "9" plus the 7 digit number. If you do not know the number of the Agency you are trying to reach, consult the Government Agency Directory located in the back of this telephone directory.

Calls to Non-Government Telephones

Listen for the dial tone. Dial "9" plus the 7 digit number.

#### Long Distance Calls

The Federal Telecommunications System (FTS) is a government network of leased long distance circuits through which you should make all official long distance calls in the United States. FTS charges are based on the length of calls. To help reduce telephone costs, users should be "time conscious" when making calls.

Calls to Government FTS Telephones.

Dial "8" and the 7 digit number being called. Consult the FTS Telephone Users' Gulde when necessary. (Guides can be

obtained from either your Administrative office or Telephone Control Officer.)

• Calls to Non-Government Telephones.

Dial "8", the area code, and the 7 digit number being called. If the commercial number is not known, dial "9" plus "1" plus the area code you wish to reach and 555-1212 for free information.

 Calls to Alaska, Hawaii, Puerto Rico and Virgin Islands

FTS service is available to and from Alaska, Hawaii, Puerto Rico, and Virgin Islands for employees authorized by their respective agency/office to place such calls. Consult the FTS Telephone Users' Guide for information and instructions on placing calls to these locations over the FTS.

#### International Calls

International calling is available from selected telephones for employees who have obtained approval from an authorized agency official.

Calls to Other Countries

Consult the Washington Metropolitan Area Telephone Directory for dialing instructions.

#### **Directory Assistance**
